

Caught by the fuzz

Supergrass

Composer

$\text{♩} = 162$

"caught by the fuzz"

"in the back of the van"

"just like a bad dream"

if only my brother...

"... tonight"

"locked in a cell..."

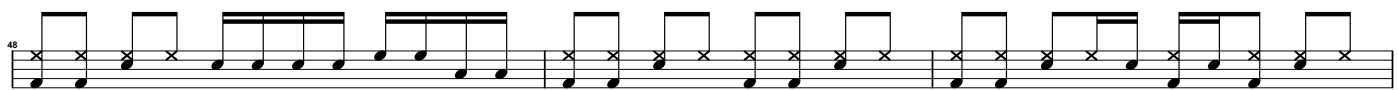

"i talked to a man..."

"who sold you the blow..."

here comes my mom

just tell him the truth

you've blackened our name

"if only your father"
